AUDIT FINDINGS SUMMARY AND RECOMMENDATION

AUDIT FINDINGS SUMMARY

Major Non-Conformities (NC)	-
Minor Non-Conformities (NC)	-
Opportunity for Improvement (OFI)	2

Refer to **APPENDIX B: Details of Non-Conformities (NC) and Corrective Actions**

PREVIOUS AUDIT RESULT (IF APPLICABLE)

No. of Non-Conformity (NC) raised from the previous audit	MSPO Annual Surveillance Audit Year 2 1 Minor, 1 OFI
The audit team has reviewed the result from the previous audit (ASA-2) and verified the effectiveness of the closing of any Non-Conformity (NC) raised. As a conclusion:	
☒	All Non-Conformities raised during the previous audit has been corrected and Corrective Action or Corrective Action Plan has been carried out and implemented effectively
☐	The management system has not adequately addressed Non-Conformity (NC) raised during the previous audit and the specific issue has been re-defined in this report.

AUDIT CONCLUSION AND RECOMMENDATION

The audit objectives have been achieved and the certificate scope remains appropriate. Based on the audit findings the audit team concluded that:

- The management system documentation demonstrated conformity with the requirements of the audit standard and provided sufficient structure to support implementation and maintenance of the management system
- The management system is in line with the requirements of the standard and demonstrated the ability of the system to systematically achieve agreed requirements for products or services within the scope and the organization's policies and objectives.
- All Non-Conformities raised during the previous audit has been corrected and Corrective Action or Corrective Action Plan has been carried out and implemented effectively
- There was no complaint received during the field assessment and during interview with the external stakeholders.
- Throughout the audit process, the management system demonstrated overall conformance with the requirements of the audit standard.

Therefore, the audit team recommends that, based on the results of this audit and the organization commitment towards complying with **MSPO (MS2530-3:2013) - Part 3: General Principles for Oil Palm Plantations and Organized Smallholders**, management system certification be continued for Jugra Estate.
