AUDIT CONCLUSION AND RECOMMENDATION

The audit objectives have been achieved and the certificate scope remains appropriate. Based on the audit findings the audit team concluded that:

- The management system documentation demonstrated conformity with the requirements of the audit standard and provided sufficient structure to support implementation and maintenance of the management system
- The management system is in line with the requirements of the standard and demonstrated the ability of the system to systematically achieve agreed requirements for products or services within the scope and the organization's policies and objectives.
- There was no complaint received during the field assessment and during interview with the external stakeholders.
- Throughout the audit process, the management system demonstrated overall conformance with the requirements of the audit standard.

Therefore, the audit team recommends that, based on the results of this audit and the organization commitment towards complying with **MSPO (MS2530-3:2013) Part 3: General Principles for Oil Palm Plantation and Organized Smallholders**, management system certification be granted to **Sunrise Harvest Enterprise**.
